ACS AWARDS

Golden Tripod Award for TV magazine lifestyle and reality
"Keeping up with the Jones"

4 Gold, 4 Silver and 3 Bronze Awards for stories with the Nine Network and WTFN Entertainment.

DOP - "Trishna & Krishna a quest for separate lives"
2011 Logie Award for best factual program.

17 years with the **Nine Network Australia** have enabled Campbell to work across a variety of programs and genre. These include everything from hard news and current affairs stories to infotainment and reality TV. Campbell's title with the Nine Network was "Specialist Eng. Cameraman".

He has travelled extensively for the Nine Network both around Australia and overseas covering many different stories and events.

Now working freelance, Campbell is available for bookings.
